

HEALTH /VISION/ DENTAL INFORMATION

HEALTH

A health examination is required of all students entering the following grades:

Preschool

Kindergarten

First Grade (if student is new to the school)

Grade 6

VISION

An eye examination is required of all students entering the following grade:

Kindergarten

Any child for the first time in school above Kindergarten

DENTAL

Dental examinations are required for the following grades:

Kindergarten

Grade 2

Grade 6

Health and Dental forms are available in the school office.

These forms must be **completely filled out** and have a **legible** Doctor/Dentist stamp which includes the name and address of the Doctor/Dentist.

The Health form contains an area on the back page for the student's health history. *Parents must complete this portion and sign and date in the corresponding area.*

All Health/Vision/Dental forms are due in to school before school begins in August.
